

The Solivita Travel Club Presents: Grandview World Nights Friday, January 22nd, 2027

Join us for a one of a kind event, the Grandview World Nights Horse Show at the World Equestrian Center in Ocala! We will enjoy lunch prior to heading to the Arena, where we will have some time to see the stables and explore the hotel prior to the show! Grandview World Nights is a magnificent annual event incorporating the majestic elegance and power of the Clydesdales, Belgians and Percherons; which are your most popular draft horse breeds. This evening is designed to entertain and captivate you by merging the gentle giants brawn synchronized to tremendous heart pounding instrumental music. The intensity of auditory sensation and energy this amount of horse power can produce is chilling. The thunderous sound of hundreds of pounding hooves can only be described as pure horse power. These world level hitches demand your attention, from the craftsmanship of the harnesses to the astonishing wagons they pull. Come experience the gentle giants under the evening lights and enjoy a side of the equine world you may have never known existed. You won't want to miss this special horse show! Sign up today!
