

Solivita Travel Club Presents: Two Tails Elephant Ranch Tuesday, February 16th, 2027

Come with us on an epic adventure! *Two Tails Elephant Ranch* was founded in 1984. The ranch is the only privately owned elephant facility of its kind. The natural coast of Florida is a prime location for elephants because the climate is almost identical to their native countries. The location of Two Tails Ranch is surrounded by green grass, live oaks and natural wildlife. It is a very peaceful environment that both animals and guests can enjoy. The ranch was built to board both Asian and African elephants needing temporary or permanent housing, regardless of health or dispositions. Over 250 elephants have passed through the gates of the ranch for a variety of reasons. We will start our day with a private guided tour where you will learn and interact with elephants like nowhere else. The ranch is also home to Zebras, Tortoises, Ostrich and Emu, Ringtailed Lemurs and even a Camel! After our tour, we will head to Sister's Place for lunch before returning to Solivita. If you would like to hand feed an elephant, there is an additional cost of \$5.00, photo opportunities are an additional \$25.00pp. **Activity Level 2**
