

Solivita Travel Club Presents: Central Florida Animal Reserve Saturday, January 16th, 2027

Join us for an unforgettable adventure! We will begin our day heading to beautiful Merritt Island to have lunch at The Landing, an incredible rooftop restaurant located in the Hotel Melby with views overlooking the ocean. Next, we will head to the CFAR for a one of a kind experience! Big cats represent strength, adaptability, and ecological importance. At Central Florida Animal Reserve, education begins with understanding how these species live in the wild and how thoughtful care supports their well-being when they cannot return to natural habitats. Learn more about daily care practices, habitat design, enrichment, and the natural behaviors that define each species. Have up close encounters in a small group setting with these amazing big cats! Your tour costs go 100% to the lifetime care of these animals! You won't want to miss this special tour! Please choose your menu upon sign up. **Activity Level 2**
